Name Three Area Men To New Lake County Safety Commission

Police Chief Walter Scott to Act as Advisor to Traffic Safety Probers

Three Antioch area men have been named to the newly-formed 11-man Lake County Safety Commission, which will fight the rapidly growing traffic death rate in the county.

They are W. C. Petty, 1038 Spafford, Arthur T. Becker, Edwards rd., Newport Township, and William E. Brook, rte. 21, Antioch.

Petty, who is superintendent of schools in the county, will serve on the Safety Commission for the duration of his term with the schools. Becker was named to County Board Chairman August Cepen to a two-year term on the board, as was Brook.

Other members of the Commission include Sheriff Stanley M. Christian; County Highway Supt. M. E. Amstutz; Earl Kane, Jr. of the Lake County Farm Bureau; P. M. O'Connell, Cuba Township; Joseph O'Neill, Shields Township; J. C. Forney, Libertyville Township; Jim R. Schueneman, Waukegan Township; and Anthony L. Schmieg, Deerfield Township.

The group will meet the second Wednesday of every month at 8 p. m. in the Highway Department offices in Libertyville.

Purpose of the commission will be to promote safety on streets, highways, parks and elsewhere; educate the public on matters of safety; plan and carry on safety programs; give publicity to ideas advancing safety, and cooperate with city, state, and national and other safety organizations.

Serving in an advisory capacity to the commission will be Police Chief Walter I. Scott, along with police chief from each community in the county.

The advisory council to the commission, will also have one member from each township representing unincorporated areas.

The Safety Commission operating on a budget of \$15,000 to \$20,000 a year, will be patterned after the Milwaukee County Safety Commission.

Lake Villa Motorist Struck by Lightning Drops at Cop's Feet

Ask Willard Alwardt, 37, of Grand ave., Lake Villa, how it feels to be struck by lightning. It happened to him Saturday afternoon. Sheriff's Deputy Robert Sachs said Alwardt was driving south on Rte. 45 a block north of Rte. 120 near Grayslake, when a bolt of lightning hit the car, and also struck a large tree, toppling it across the highway.

Sachs arrived on the scene to find Alwardt walking around in a daze, his car stopped in front of the fallen tree. "I don't feel good," Alwardt said—then collapsed.

He was taken to St. Therese Hospital in Waukegan for treatment of shock. Traffic was tied up nearly an hour while the highway was cleared.

Television Fighters Not All on TV Screen

An argument over a television program ended up in a black eye and broken nose for a 70-year-old Lake Villa woman, Mrs. Meta Johnson, RFD 3, Venetian Village. Jailed for aggravated assault and battery in connection with the slugging was Sue Martin, 28, of the same address.

Miss Martin was arrested while at work as a civilian employee at Great Lakes Monday, after the elderly woman told Asst. State's Attorney Charles E. Mason that the girl, a friend of her daughter's, beat her.

Held under \$1,000 bond, Miss Martin was scheduled to appear before Justice of the Peace Carlton Smith in Waukegan Aug. 23.

Mary Lou Seyfarth, 17, of Antioch, suffered shock early Sunday in a collision between cars of Edward Vihaneck, Chicago, and Paul Kleyen, Ringwood, on Rte. 12 south of Waukegan. She was treated at Conell Memorial hospital, Libertyville.

The Antioch Little League ball field will be the scene this Sunday, August 19, as the Lake Region Pony League All-Stars will play ball, beginning at 2:30 p. m.

HOME SWEET HOME

Deputies Search Swamp for Channel Lake Wife Beaten by Husband; Turns up at Private Home

Bovine Ballet Troupe Bounces Into Action For Female Motorist

There was a lot of fancy stepping on the Avery Vose farm on Crawford road north of Edward road Sunday afternoon, when a woman driver appeared on the scene.

Three cows sprained their legs trying to get out of the way when a car driven by Jean Mayberry, RFD 2, Edwards rd., Antioch, crashed through a fence into a yard where the cattle were grazing.

The bovine ballerinas were sent bouncing when Miss Mayberry, who was reportedly learning to drive, lost control of the auto while making a turn. First the car hit a fence post on one side of the road, then ran across the highway, tore down 20 feet of fence on the Vose farm and ended up 70 feet inside the farmer's yard.

Miss Mayberry was ticketed for driving without a license, and Vose went to work mending his fence, as the crippled cattle looked on.

Salvation Army Music Institute At Antioch

A 10-day music institute at the Salvation Army's Camp Wonderland, 6 miles northwest of Antioch, will feature 110 bandsmen and singers from an 11-state area.

Starting tomorrow (Friday) classes will be held in brass instruments, voice, music appreciation, music leadership, conducting, and interpretation, leadership psychology, music theory, diatonic harmony, composition, arranging and baton technique.

In charge of the institute will be Sr. Capt. Victor Danielson, music director of the 11th District. The 25-member faculty will include Leslie Malpass of Southern Illinois University, Carbondale; Irwin Fischer of the American Conservatory of Music, Chicago; and Maj. Arnold Brown, Toronto, Canada.

A highlight of the institute will be the music festival held at 3 p. m. Aug. 26, open to the public.

The daily schedule at the camp will include seven classes, with ample time reserved for swimming and recreation.

High School Musicians Back From State Fair

Members of the Antioch Township High School band will decide after their regular practice session at the high school tomorrow night, whether or not the band will go to Chicago for the Chicago Music Festival Saturday night.

The band returned to Antioch Tuesday, after participating in statewide competition at the Illinois State Fair in Springfield Monday. Results of the competition will not be known until this weekend, according to Director Louis Chenette.

Band members left Antioch for Springfield at 5 a. m. Monday, and went into competition at 3 p. m. the same day. The Antioch unit was one of 50 bands in the contest. The group spent Monday night in Bloomington on the way home.

The organization was the first from Antioch ever to play at a state fair.

An anxious search by sheriff's deputies for a Channel Lake housewife, last seen bleeding from her head after an alleged beating by her husband, ended late Saturday night when she turned up at a home on Rte. 173 and asked for help.

Object of the search, which took deputies through swamplands and had them checking the deep channel near her home at Cherry st. and Lake st., was Mrs. Irene Howen, 26, the mother of two small children.

Her husband, Roland, 25, who denied striking his wife and even helped deputies look for her, was later booked in at the county jail on charges of aggravated assault and battery and disorderly conduct.

The children, ages 4 and 6, were removed to a private home in Deerfield under the direction of County Juvenile Officer Charles Hopper.

Deputies were called to the Howen home by neighbors Saturday night, after neighbors said they saw Howen beat his wife, and pull her back into the house when she tried to flee for help.

Checking the home, deputies found a pool of blood on the floor in one of the rooms. Mrs. Howen later told authorities her husband beat her head on the floor.

Neighbors who witnessed the battle, said Howen also struck his wife with his fists, pieces of furniture, and rocks.

Mrs. Howen reportedly told deputies her husband repeatedly threatened to kill her, and last week threatened her with a knife.

A widespread search of the Channel Lake area for the woman was in progress when the sheriff's office was notified by phone that a woman had come to a house on Rte. 173, asking aid for a head wound.

Deputies talked to the woman on the phone, and learned she was the woman they were seeking.

Told that her husband was already in jail, Mrs. Howen commented: "That suits me fine."

New ATHS Students Register Next Week, Test Freshmen Thurs.

All Antioch Township High School students will report back to school on Tuesday, September 4, Principal Albert Dittman has announced. The opening day will be for the purpose of paying fees and receiving routine information.

Families that are new residents in the Antioch High School district and expect their children to attend the high school this fall must register their children for classes next week.

Freshman pupils must report to the high school office at 8 a. m. Thursday, August 23, to register and to take placement aptitude tests. The tests are administered by Guidance Coordinator Warren Polley and will be over at 12 noon.

Upper classmen do not have to take the Fresh aptitude tests but they must register for classes at anytime Monday through Friday between 8 a. m. to 12; and 1 p. m. to 4 p. m.

The above registration will only concern those children that have not registered previously at the high school.

Bi-State Bowlers to Meet

Captains and bowlers in the Bi-State Bowling League will meet next Thursday, August 23, at 9 p. m. at Antioch Recreation, to organize plans for this year's bowling league. All teams that bowled last year have preference if they report their intention to bowl this year.

Bowling of the Bi-State League will start Thursday, Sept. 6, at 9 p. m.

Riled Up Resort Owners Draw Bead on Waukegan Physician in Polio Row; Retraction Demanded Of Medic's Advice to Shun County's Lake Area

Set Referendum Asking End to Tax Collectors

A matter of vital importance to Antioch residents, the question of eliminating the township tax collector, will be placed on the Nov. 6 election ballot.

An 8,000 name petition containing signatures from all parts of the county, asking abolishing of the town collector, was turned over to the Lake County Board of Supervisors Friday.

County officials say a tremendous tax savings will be realized if the township tax collectors are abolished, and taxes are paid directly to the county treasurer.

The county board hopes to use the money saved, if the fall referendum is successful, to finance the newly created Lake County Safety commission.

Bernard Sherman Dies At Motorcycle Races In Missouri Sunday

Funeral services will be held at 10 a. m. today (Thursday) for Bernard D. C. Sherman, 30, of Antioch Hills, killed Sunday afternoon in a motorcycle race at Savannah, Mo.

Sherman, a well-known Antioch motorcycle racer, was fatally injured at 2 p. m. Sunday when his motorcycle went into a spin during a heat run at the Savannah track, 12 miles from St. Joseph, Mo. Sherman was thrown to the track, witnesses said. He was struck first in the shoulder, then in the head, by a motorcycle which was following him.

A crash helmet Sherman was wearing was thrown off when he hit the ground. He was rushed by ambulance to a hospital in St. Joseph, where he died 45 minutes after the accident.

A World War II veteran, Sherman worked as an electrician at the Farnest Metallurgical Corp., North Chicago. Prior to that he worked at the Johns-Manville plant in Waukegan.

A native of Brighton Township, Kenosha county, where he was born Nov. 1, 1925, Mr. Sherman had been a resident of Antioch since 1929.

He was a member of St. Peter's Church and the Holy Name Society of the church. He was also a member of the Antioch Moose lodge, and the State Line Riders club of the American Motorcycle Assn.

He is survived by his mother, Mrs. Lucy J. Himens, of Antioch Hills; four sisters, Mrs. Bernice Mogen, Burlington, Wis.; Mrs. Jean Sobey, Antioch; Mrs. Lucile Kutz, Mount Morris; and Sister Mary of the Cross, Beaverville, Ill. He was preceded in death by his father, Harvey E. Sherman.

Funeral services were from the Strang Funeral Home, 1080 S. Main st., at 10 a. m. today, to St. Peter's Church at 10:30 a. m. Interment was in St. Francis Xavier cemetery, Brighton, Wis.

Yankees Earn Little League Title Again In Second Round

The Yankees clinched the title in the second round of play in the Antioch Little League Wednesday night, when they defeated the Giants 10 to 6. Also this week, the Giants beat the Tigers 2 to 1, and the Sox defeated the Cubs 9 to 8 in a sixth inning finish. The Dodgers won their first game in the second round.

Thief Who Stole Church Prizes in Lake Villa Bound Over to Grand Jury by Waukegan Justice

A former employee of the Lake Villa Lumber & Coal Co., Cedar Ave., Lake Villa, has been bound over to the Lake County grand jury on burglary charges.

Held in county jail under \$10,000 bond is George Stowell, 25, of Trevor, Wis.

Stowell is charged with burglarizing sheds on the lumber company grounds and stealing \$1,100 worth of prizes left over from St. Peter's Catholic Church picnic July 29 and 30.

The manager of the lumber company said the loot included television sets, luggage, a food slicer, seven cameras, 18 wallets, 22 sets of binoculars, 18 cigarette lighters, six radios, four clock-radios, and two record players.

Stowell was apprehended by Deputy Charles Larson of Antioch during a routine investigation of the crime. The loot was recovered in a woods near Twin Lakes, Wis.

Stowell was bound over to the grand jury Tuesday after a preliminary hearing before Justice of the Peace Carlton A. Smith in Waukegan.

Explosive Comment by Waukegan Physician Burton J. Winston Draws Sharp Rebuttals

Chain-O-Lakes Area Is Safe, Resort Owners Announce

Antioch area resort owners, bidding for business in a season already ruined by "rotten" weather and plagued by poor publicity, are riled to the roasting point at Waukegan City Physician Burton J. Winston, who has advised Waukeganites to stay away from the lake region area as a precaution against polio.

Dr. Winston made his request on the heels of a report from Mrs. Joan Rodbro, executive secretary of the Lake County Chapter of the National Foundation for Infantile Paralysis, who spent the last two weeks in Chicago interviewing families of polio victims there.

Mrs. Rodbro said that a good share of the Chicago victims said they had recently vacationed in the West Lake County resort area.

It was also pointed out that the two polio deaths in Lake county last week both involved resort area residents. Two-year-old Donald Sonnenberg of Deep Lake died of bulbar polio Aug. 4, and Mrs. Wilma E. Spittle, 24, of Round Lake, died of bulbar polio Saturday.

Doctor's Advice Dr. Winston's advice to stay out of the resort areas brought an immediate demand for a retraction from Barney Shumeson of Channel Lake, director of the Chain-O-Lakes Resort Owners Assn. He termed Dr. Winston's advice "absurd," stating that the area hardest hit in the Chicago epidemic does not contain the type of people who frequent the Chain-O-Lakes area.

"I, as director of the Chain-O-Lakes Resort Owners Assn. say it is an absurd and unproven statement," Shumeson stated. "We here in Lake county have eight polio cases, Chicago has 700. I know of none in the Chain-O-Lakes region. Round Lake and Deep Lake are not in the Chain-O-Lakes. If Dr. Winston's statement were true, we would have had the first cases and the epidemic. "We in the resort business would be the first to close our beaches for the safety of our present and future

(continued on page 7)

Serving on a committee of 12 doctors from all parts of the county to investigate the need for a public health department in Lake county is Dr. A. N. Berke, 896 Main st., Antioch.

The special committee, consisting of members of the Lake County Medical Society, will meet at 8 p. m. Tuesday at the Lake County Tuberculosis Sanatorium.

To date the Lake County Medical Society has been noncommittal on a proposal to establish a Lake County Health Department.

Along with several other vital items, the proposal to establish a health department will be placed on the Nov. 6 election ballot.

Heading the group of doctors studying the plan is Dr. Asa L. Myers of Waukegan.

Other committee members, in addition to Dr. Berke, are Dr. M. T. Brown, Zion; Dr. F. L. Brundza, Round Lake; Dr. J. J. Burke, Grayslake; Dr. L. E. Foulke, Waukegan; Dr. S. J. Kaplan, Waukegan; Dr. M. J. Andrews, Lake Bluff; Dr. Joseph Raider, Mundelein; Dr. G. E. Wendel, Highland Park; Dr. B. J. Willett, Fox Lake; and Dr. John Zannini, Waukegan.

A former report of the committee's findings will be made at the September meeting of the Medical Society.

In 1952 the Medical Society went on record approving county medical departments in general, but did not look into the situation in Lake county to determine if such a department was economically sound and whether it would provide the basic health needs of the county.

Mrs. Julia Wilton, 88, Dies in Nursing Home After Brief Illness

After a brief illness, Mrs. Julia Wilton, 88, of Antioch died a week ago Wednesday at 4:35 p. m. at the Redel Nursing Home in Zion, Ill., where she had resided since October 1954.

Born on May 7, 1868, in Antioch township, she moved to a farm on Cedar Lake rd. in Lake Villa township in 1888 and to another on Highway 21 in 1900.

On November 13, 1889, the former Julia Yopp married Thomas Richard Wilton at Wilmet, Wis. They celebrated their 55th wedding anniversary in 1944; Mr. Wilton passed away six days later, on Nov. 19th of that year.

Relatives surviving the deceased are one daughter, Mrs. Hazel Rhymer of Antioch; one sister, Mrs. Theresa Lewis of Antioch; two brothers, George Yopp of Burlington, Wis. and Robert Yopp of Rockford, Ill.; three grandchildren, Mrs. Lucille Wikoff of Urbana and Mrs. June Anderson and Mrs. Richard Banks of Waukegan; and five great grandchildren.

One daughter, Mrs. Anita Bank, preceded Mrs. Wilton in death; she died on August 31, 1950.

Services were held at 1:30 p. m. last Saturday at Strang Funeral Home, and interment was at Hillside Cemetery.

Four Teen-agers Injured When Car Runs Into Tree

Four Chicago area youngsters were hospitalized yesterday afternoon after their car skidded out of control on Wilmot rd. west of Channel lake and slammed into a tree. Taken to Victory Memorial hospital in Waukegan were Paul Voyne, 17, of Chicago, who suffered a broken jaw and extensive face injuries; Charles Williams, 17, of Chicago, broken left wrist; Geraldine Kuna, 15, of Franklin Park; and Celeste Bielecki, 14, of Franklin Park, both of whom sustained cuts and bruises.

Everett Ortedahl of the Antioch Rescue Squad, which took the injured to the hospital, said Voyne was the driver of the car.

'56-57 ATHS Faculty Includes Two New Science Instructors

Two new teachers have been added to the Science Department at Antioch Township High School for the 1956-57 school year, Principal Albert Dittman announced recently.

John Hardisty will teach General Science and William Seaman will head a class in Biology, besides teaching general science. Both men are graduates of Western Illinois State College at Macomb, Illinois.

The completed teaching staff as announced by Principal Dittman recently includes:

William Baird, Social Studies; Kathleen Barkman, Home Economics; Carol Beam, Spanish; Patricia Board, English; Karen Brand, Girls' Physical Education, and English; Louis Chenette, Instrumental Music; Donald Chiappetta, Librarian; Donald Cramer, Mathematics; Nancy Denny, English and Mathematics; Narcissus Donovan, Girls' Physical Education; Elmo Edwards, Physics, and assistant Principal; Stuart Good, Industrial Arts; Patricia Howard, Speech and English; Paul Kesenich, Driver Education and Boys' Physical Education; Ward Lear, Commercial and Mathematics; Lawrence Leon, Boys' Physical Education;

Warren Polley, Commercial and Vocational and Educational Guidance; Elroy Robinson, Biology and Chemistry; Esther Slavin, Commercial; Kenneth Smouse, Chorus and English; Melvin Stillson, Industrial Arts; Jeanette, Tulumello, Social Studies; Thersa Wehr, Latin and English.

Slow Down and Live

We Americans have a high regard for speed. The fact that we make things faster and distribute them faster than other nations has a great deal to do with our economic strength. In sports we like fast moving games. For most of us life is geared to a pretty swift tempo.

But there's a place for everything, including speed. And the staggering toll of traffic deaths and injuries plus the fact that speed is involved in the vast majority of them makes it plain that speed has no place on the highway.

It's rather interesting to note that safety authorities don't limit the speed menace just to exceeding the speed limit. They list failure to yield right of way, passing without caution, driving too fast for road and weather conditions and driving too close to the car ahead as symptomatic of the "hurry complex" that causes accidents.

That "hurry complex" is the target of the "Slow Down and Live" campaign on the highways of the nation this summer.

The Illinois Division of Traffic Safety believes that if that message can be implanted in the minds of drivers everywhere it can effect a reduction in the traffic toll.

Sixteen of the states participating in a similar campaign last year did record reduction in traffic deaths on the highway. Illinois was not one of them.

For the first six months of this year, our state is listed as one of nine which shows a general reduction. But the figure is deceiving. The figures show a continuing increase since February which is rapidly overtaking the fine 22 per cent reduction which we experienced in January.

Rapid strides are being made in accident prevention.

Of course, it always is difficult to trace the exact reason why an accident didn't happen.

But certainly the continually growing menace of the highway death and injury toll to every highway user warrants the cooperation and support of everyone in this national effort to have all of us keep speed in its proper place and accept "Slow Down and Live" as our slogan for the highway.

* * *

"Get Out The Vote"

Every election year at about this time "Get Out the Vote" campaigns swing into high gear throughout the country. It's a rare citizen indeed who doesn't read and hear that voting is both a privilege and a duty, incumbent upon us all.

This year a nation-wide campaign to persuade people to vote is under way—and it goes a long step farther. The American Heritage Foundation, aided by some 130 cooperating organizations representing groups as varied as business executives, union members, actors, lawyers and many others, has come up with this slogan: "Vote—But Don't Vote in the Dark!"

William Hard, writing in The Reader's Digest, tells the story under the striking title: "Register! Inform yourselves! Vote!" And the big emphasis is on

those two words, "Inform Yourselves!" Anyone can mark an X on a ballot or pull the handle of a voting machine. But it takes some extra effort to vote intelligently, with full knowledge of just what the competing candidates stand for.

There is no doubt that intensive campaigns such as the American Heritage Foundation is conducting do bring out the vote. The Foundation waged its first national campaign in 1952, and 63 per cent of eligible voters made their choices known, as against 51 per cent in 1948. In 1954 the Foundation was busy with other matters and did not conduct a campaign—and the percentage dropped to 52 per cent.

Mr. Hard observes that compulsory voting laws are sometimes urged for this country. In countries where failure to vote brings a fine—Belgium and Australia—the turnout customarily runs around 95 per cent. But it is obvious that forcing a man to vote does not and cannot make him an informed or thoughtful voter. Also, as Mr. Hard writes, "Legislation to compel the exercise of liberty is a denial of liberty."

Moreover, Europe teaches us that compulsion is not necessary. In recent elections in a lengthy list of non-compulsion countries the turnout ranged from 77 per cent in Britain to an amazing 98 per cent in Austria. As General Gruenther, head of NATO, wrote the Foundation: "Although I never cease to be proud of being an American, I have been impressed during my five years in Europe by the high percentage of Europeans who go to the polls to vote. Their record is better than ours in this all-important matter of individual participation in government."

From now until election day you will be bombarded with appeals to vote—even loudspeakers at scores of ballparks will be broadcasting the message.

Finally, Mr. Hard observes that our responsibility as a great world leader demands "that we must read, we must listen, we must study, we must think—and then say at the polls what kind of country and what kind of a world we want."

* * *

You Rule the Economy

"It isn't the businessmen or the government or any other identifiable group which rules our economy," write Sylvia Porter, the business and financial analyst. "It is 'you,' the consumer, who rules its ups and downs." She adds: "And if that still sounds elementary to you, I'll sign off with the reminder that it has taken a couple of centuries of basic economic research to produce the proof."

This is why more and more studies are being made of consumer hopes, plans and psychology in general, vast country.

For it is the amount of money you spend, and how you spend it that determines the economic climate in this

You Can't Clip a TV Program

Dorothy Kilgallen, the columnist and television star, recently has something pleasant to say about newspapers as reading matter.

"You can read on a train crossing the desert or on a plane at 17,000 feet above the Atlantic—no static, no fading, no blips," says Miss Kilgallen. "You can read something you like, you can tear it out and save it to read again some day. I enjoy radio and television, and I am gainfully employed by both, but I must admit they have their drawbacks. Did you ever try to clip a television program and paste it in your scrapbook?"

Here's why the newspaper hold its dominant place in the homes and hearts of Americans. And here is why—to touch on the world of commerce from which all of us draw our livings—the newspaper remains an unsurpassed means of advertising goods and services.

Jimmie Gerber returned home with them after a week at the Bible Camp there.

Mr. and Mrs. Fred Leable were Sunday supper guests at the George McNeil home in Kenosha.

Mr. and Mrs. Homer Edwards and two sons from Charleston, Va., arrived at the Bert Edwards home for the week end. On Sunday the members of the B. Edwards family had a reunion. All were present except Harold Edwards and family of Missouri.

Mr. and Mrs. Oscar Finkel and son, Gordon, spent Wednesday in Oshkosh, Wis.

Miss Jackie Dietrich of Waukegan and Miss Norma Welch spent several days of last week at the Wisconsin Dells. Alex and Dawn Welch of Madison, Wis., came home with them and are visiting at the home of their grandparents, Mr. and Mrs. William Welch this week.

Mrs. Lillian Robbins of Chicago spent Saturday with her cousins, Mr. and Mrs. H. A. Tillotson.

A baby girl was born to Mr. and Mrs. Russell Doolittle at Condell Memorial hospital on Thursday, Aug. 9. The new arrival has a sister and two brothers.

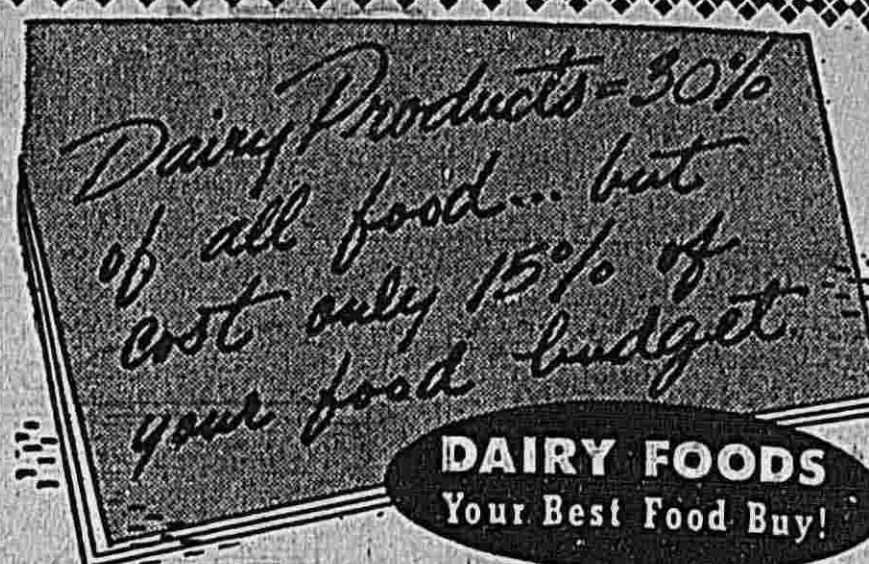

The total net paid circulation of 217 U. S. daily newspapers refusing to accept alcoholic beverages advertising is over 5½ million.

HEALTH TALK

Children Great Imitators
What kind of example do you set for your child? The words "do" and "don't" are easily said, but have you forgotten that children are great mimics? Because parents do forget and are loose in their own pattern of conduct is why some youngsters grow up in a slipshod manner, the Educational Committee of the Illinois State Medical Society points out in "Health Talk."

The habit of mimicry is established early in childhood. Movements are noted, particularly those of mother and father, or older brother and sister. Early in life the child wants to be doing—and do what others are doing. That is the process of learning.

But you, as a parent, retard this process when you don't reflect the good habits for imitation. For example, how can you expect your child to learn quickly the importance of putting things away when you throw clothes on tables and chairs. It is difficult to teach a youngster good habits of personal cleanliness when you are so careless about your own.

A child will soon absorb the importance of washing the hands before and after using the toilet and before and after eating, when mother sets the example. But let mother forget her part while reminding the youngster and the child will soon ignore this rule of cleanliness.

To admonish a child for swearing, or talking about others is right of course, but what example do you set in this direction? Children exposed to such displays in their own homes soon believe what is right for the parent is right for them. Why should they think otherwise? Their model is you.

A classic example is the desire to dress like mother and dad. The little girl yearns to wear mother's clothes. And what little boy doesn't covet a suit just like dad's? These are physical things of possession, but just as strongly embedded in their little minds is the wish to be just like you.

You rationalize that all children are special little people to grow up into their own individuality. And this is right. But why not help them on their way by giving them a special way of living?

You provide them with the essentials—food, clothing, love and affection. In theory you establish all the "Do's" and "Don'ts" of gracious living, but not in practice.

For example, are you careless with your diction? Do you speak lazily so that your enunciation is not clear? Do you keep yourself clean and well-groomed? Is your home equally clean and comfortable and your meals palatable and properly balanced for good health? Are you kind to other persons less fortunate than you? Do you go to the church of your faith regularly, and what about your physician and dentist? Do you see them at regular intervals?

If you answer "yes," you are helping your child to a better way of life. For these are some of the attributes that can be imitated to the great advantage of your child, and to your own satisfaction as a parent.

Salem

Mrs. Byron Patrick, Correspondent
Tel. Bristol 110-F22

Miss Olive Hope entertained her niece and family from Bloomington, Wis., over the week end.

Mr. and Mrs. James Imrie and children from Randolph, Wis., spent the week-end at the Robert Imrie and Clarence Imrie homes.

Mr. and Mrs. Ernest Grulick are the parents of a son born Aug. 12, at Burlington hospital.

The W.S.C.S. will meet at the home of Mrs. Arthur Bruen on the afternoon of Aug. 23.

The Royal Neighbors met at the home of John Bomleny on Thursday evening. Those present were Mrs. Laura Miller, Mrs. Effie Hartnell, Mrs. Arthur Feldkamp, Mrs. Andrew Neilsen, Mrs. Hazel Stockwell, Mrs. Byron Patrick, Mrs. Annie Minnis. The next meeting will be at the home of Ida Schultz.

Miss Anna Semeler is a patient at St. Catherine's hospital in Kenosha.

Miss Lucia Minnis has returned from a trip to Denver, Colo.

Rev. Robert Smith and family have moved into what was known as the Wagin home which has been purchased by the Methodist church of Salem.

Mrs. Bessie Elkerton of Antioch spent Sunday with her sisters, Mrs. Charlotte Bloss and Mrs. Nellie Head.

Romance on the Rails

"It frequently is said all the romance has gone out of railroading since the austere, no-nonsense diesel locomotive came along to push the glamorous, sporting steam engine out of the picture," says the Portland Oregonian. "Well, it hasn't. The operating railroaders, who are the heart and soul of the business anyway, are still there and as emotional and sentimental as ever."

The Oregonian editorial goes on to tell the story of Kate Shelley. Seventy-five years ago, Kate, the daughter of an Irish section boss, saw a railroad trestle collapse under the battering of flood, gale, and

cloudburst. At grave risk to her life she crossed the ties of a 500-foot long bridge, with only flashes of lightning to guide her, and stopped an express carrying 200 passengers. Then she rounded up a party and rescued two men who had gone into the torrent when the trestle went down.

Kate has been remembered in many ways. A fine new passenger train bears her name. The Governor of Iowa proclaimed a Kate Shelley week. Railroad organizations, representing labor and management have petitioned the post office to issue a Kate Shelley commemorative stamp. And on July 6, a plaque was placed on her grave bearing this inscription: "Hers is a deed bound for legend—a story to be told until the last order fades and the last rail rusts."

To quote the Oregonian again: "Now, who says there is no more romance on the rails?"

Announcing the Blue Chip

GMC 4-WHEEL DRIVE

New all-purpose vehicle has 6-way lead over the field!

IN MOTOR TRANSPORT

LEADS THE WAY

Your key to Blue Chip value

YOU'VE never heard of a 4-wheel drive like this new one from GMC!

It's a REAL truck—with truck horsepower no one else comes close to.

The drive is truck-strong to take the big torque output.

It takes its full rated loads in 1/2-, 3/4- and 1-ton models—over any terrain, and up even 60% grades.

It has the full road speed of standard GMC models.

It has a *single* lever that gives 4-wheel drive in Low and High positions, or rear-wheel drive alone in High.

It takes a big family—in distinctive Blue Chip GMC smartness—in regular passenger-car use, and off-the-beaten-path pleasure trips.

This GMC 4-wheel drive is available in pickups, in suburbans, or for platform and stake-rack use. Hydra-Matic Drive at moderate extra cost. Transfer case has 2-power take-off openings for front and rear work needs, such as winch, drill rig, pump or generator operation, etc.

So here you are—a man-size 4-wheel drive that's an off-road worker, a big, capable hauler, and a family transport too—all at single-vehicle price. Come in for the whole story!

See us, too, for Triple Checked used trucks

It's a great time to buy a Buick!

Today you can have
what other cars
may not have for years

Buick CENTURY 6-Passenger 4-Door Riviera

JUST BETWEEN US—don't you get a kick out of keeping a step ahead of the other fellow—especially when it comes to cars?

So wouldn't you find it fun to boss the newest thing in motordom—a car with the greatest advance in transmissions since the gearshift left the floor?

And wouldn't you like to have all this at a price that is right—and when the weather is right—and right when your car is at its top worth?

Well, sir, we've got that kind of situation for you—now.

Because this very day you can step

into a 1956 Buick with Variable Pitch Dynaflo*—a transmission so modern that you may not find its like in other cars for years to come.

You can have the thrill of split-second action from the merest nudge of the pedal—and with the good-news gas savings this economy range brings.

You can have the safety-surge of power that comes from pushing down on the pedal and switching the pitch.

All with the wallowing might of Buick's 322-cubic-inch V8 engine. All with the new luxury of a ride that's built on four brawny coil springs for buoyant

levelness. A ride with new steering ease and sweeter handling.

Best of all, you can make the buy of a lifetime. For today's low prices have helped move Buick into America's best-selling 3 more firmly than ever.

That means we can come to terms on the trade-in value of your car in a way that's bound to tickle you pink.

Why not stop in and take us up on that—today?

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

AIRCONDITIONING
at a COOL NEW LOW PRICE

SOCIETY EVENTS

Judith Gaston Weds Dick Hoffmann Friday In Evening Ceremony

In a double ring ceremony last Friday evening at St. Ignatius' Episcopal church of Antioch, Judith Eve Gaston, daughter of Mr. and Mrs. Howard K. Gaston of Antioch, became the bride of Richard Hoffmann, son of Mr. and Mrs. Clarence Hoffmann of Wheeling, Ill., at an 8 p. m. wedding.

The Rev. Edmond Hood of St. Ignatius' solemnized the vows. Given in marriage by her father, the bride wore a white embroidered organza gown of ballerina length with fitted bodice and bouffant skirt and carried a white prayer book covered with orchids and stephanotis. A small crown of seed pearls held her waist length veil.

Matron of honor was the bride's sister, Mrs. Jolene Switzer of McHenry, and she wore a pink eyelet embroidered dress with leg of mutton sleeves and a picture hat of net and rosebuds. She carried a heart-shaped bouquet of pink rosebuds and stephanotis.

David Hoffman, the bridegroom's brother, served as best man; and the bride's cousins, Howard and Walter Shepard, were ushers.

Wearing matching corsages of white carnations with pink rosebuds, the mother of the bride wore a blue-gray dress with white accessories while the groom's mother wore a pink dress and white accessories.

Special guests at the wedding included three grandmothers and one grandfather of the newlyweds; the bride's grandmother, Mrs. H. B. Gaston of Antioch, and the groom's grandparents, Mrs. Johanna Hoffmann and Mr. and Mrs. Edward Hank of Wheeling.

Relatives from out of town included Mr. Elvis Erkman and Martha Wallace of Carmi, Ill.

Music at the ceremony was provided by Mrs. Anne Kudrle of Cicero who played traditional wedding music on the organ and sang Schubert's "Ave Maria."

Following the ceremony, an outdoor reception for 100 guests was held at the home of the bride's aunt and uncle, Mr. and Mrs. H. E. Shepard on Harden st. in Antioch.

After a two-week honeymoon, the Hoffmanns will be at home on Lake st. in Antioch. Mr. Hoffmann is employed by the Illinois Bell Telephone company.

Legion Auxiliary Here Honors Past Presidents At Pot Luck Supper

Past presidents of the Antioch Unit American Legion Auxiliary were guests of honor at the Unit meeting last Friday evening for a pot luck supper at 6:30 p. m.

A short business meeting was held and the remainder of the evening was spent playing cards. Fourteen past presidents were present, and each was given a hankie corsage and a gift from the Unit.

Other guests at the meeting were Kathryn Kapheim, North Chicago, 10th district director; Anne Christiansen, Waukegan, president of Homer Dahlinger Unit; and Lois Peterson, Chicago.

Dorothy Horan, junior past president of the Antioch Unit, was in charge of the evening's entertainment.

Robert Charles Dieball Joins Navy Reserve As Officer Candidate

Robert Charles Dieball, the son of Mr. and Mrs. Erwin Dieball of Route 3, Antioch, was recently enlisted into the U. S. Naval Reserve as an Officer Candidate.

Upon successful completion of a four month course of indoctrination at the Naval School Command, Newport, Rhode Island, he will be commissioned with the rank of Ensign.

Dieball was a graduate of Antioch Township High School and Louisiana State university.

PFC Guy D. Pierce Arrives in Japan With Cavalry Div.

Army PFC Guy D. Pierce, son of Mrs. Elsie E. Pierce, Antioch, has recently arrived in Japan and is now a member of the first Cavalry Division stationed at Camp Drake.

Pierce, a radio operator in Battery C of the division's 29th Anti-aircraft Artillery Battalion, entered the Army in March 1953. He completed basic training at Fort Bliss, Texas.

The 23-year-old soldier attended Antioch High School.

Mrs. Joseph Patrovsky was hostess to the Garden Section of the Woman's club for a splash party in her pool on Monday. A noon pot-luck luncheon was followed by a brief business meeting and the swim.

Announce Engagement Of Doris Petersen To Waukegan Boy

Mr. and Mrs. Einar Petersen of Antioch announced recently the engagement of their daughter, Doris, to Robert Hatton, son of Mrs. Harry

Hatton, 1342 Ash st., Waukegan. He is a graduate of Waukegan Township High school, and she graduated from Antioch Township High school. A November wedding is planned.

Three Local Teachers Take Summer Courses

Two Antioch grade school teachers have sampled the life of students this summer when they enrolled in six-week education courses at colleges in Wisconsin and Illinois.

Mrs. Ruth Liddle, a fourth grade teacher, attended the summer session at Whitewater State Teachers' College in Wisconsin; and primary grade instructor Mrs. E. W. Kufalk was a student at the National College of Education in Evanston, Ill.

Paul Kessenich of the AHS faculty returned from the University of Illinois campus last week-end after completing a two weeks course in driver education. He will teach that subject at the high school this coming year.

Director of music at Antioch Township High School, Louis Chenette, has received a master of music education degree at Northwestern University in Evanston.

Head for the Hills, Men, Here Come Those Raiders

An "Indian Raid" will be staged Saturday by the Library Indians, a children's story group at Lake Villa Township Library.

Equipped in Indian head dress, the young raiders will march in all their feathered glory from the library to Krater's Lake Villa Pharmacy at 11 a. m. to receive ice cream.

The children have been meeting every Saturday from 10:30 to 11:30 a. m. in the library to hear the reading of stories. Recent readers have included Mrs. William Effinger, Mrs. Emory J. Holway, Mrs. J. E. Williamson, and Mrs. Winsor Dalgaard.

Annual Sheriff's Ball Scheduled for Aug. 23

There will be an orchestra at the 12th Annual dance of the Lake County Deputy Sheriffs' Assn. this year.

Deputy Frank Cassidy, chairman of the event, said the ball will be held Thursday, Aug. 23, at Hank's on Skokie Hwy. north of Rte. 120. Cassidy jokingly recalled that last year's chairman, in the excitement of making dance arrangements, forgot to hire a band. "It won't happen again," he said.

Free tickets to the affair may be obtained from Deputy Charles Larson of Antioch, or at the door.

Kennedys Entertain Five Nuns

Among guests at the Dudley Kennedy home since their return from Canada have been Kennedy's sister, Sister Mary Danette, B.V.M. from Emmetsburg, Iowa, who is being sent to Waterloo, Iowa, as a music teacher.

Her companion was a former music teacher at St. Peter's School here, Sister Rose Cecile, who will begin a new assignment at Lead, S. D.

Kennedy's three aunts who are Dominican nuns also spent part of last week at his home. They are Sister Mary Generosa of St. Rita in Chicago, Sister Mary Joan of Elgin, and Sister Mary Justine of Oakland, Calif., who had a home leave which is given once in three years.

Birthday of Lake Shangri La Girl Celebrated on Roller Skates

With a group of her friends, Linda Jean Lebangood of Lake Shangri La celebrated her birthday last Friday evening at the Rollin Wheels Roller Rink. The highlight of the party occurred when Linda Jean was placed in the center of the floor, and all the skaters joined hands and skated 'round singing the familiar tune of "Happy Birthday."

The group was accompanied by Mr. and Mrs. Lebangood and the parents of many of the other children.

Dr. Deering Returns

Dr. D. N. Deering of Antioch returned to his home Saturday from Hines Hospital in Maywood where he had been confined for surgery. While there, he had been visited by his son, Ensign David Deering, who was granted a leave from his flight training at Pensacola, Fla.

Local Firm Buys Prize Steer

The Wolff Bros., Live Stock dealers of Antioch, have purchased the grand champion steer at the Kenosha County Fair at Wilmet, which had been raised by Ena Butler, Route 45, Union Grove, Wis. The steer will also be shown at the Milwaukee Fair.

Visiting Here

Mr. and Mrs. C. W. Wikoff and children of Urbana were called here by the death of their grandmother, Mrs. Julia Wilton, and spent Friday and Saturday with their parents, Mr. and Mrs. Joseph Rhymmer.

Mr. Robert Yopp of Riverside and Mr. and Mrs. Lynn Tazewell, Miss Grace Tazewell and Mr. and Mrs. William Fuller, all of Elgin also were guests of the Rhymers Friday and attended the funeral of Mrs. Julia Wilton.

The Runyard family held its 35th reunion at Mel Runyard's picnic grounds at Rock Lake last Sunday, Aug. 12. Around 20 people attended.

Mr. and Mrs. George C. Nelson of Trevor returned home last Tuesday evening from a ten day trip to New York where they visited relatives. Mr. Nelson's aunt, Mrs. Edna Norton, returned home with them for an indefinite stay.

Mr. and Mrs. N. Wolscheid and daughter Dorothy of Chicago spent several days last week with Mr. and Mrs. Norman Benson of Channel Lake Shores, Antioch.

Mr. and Mrs. Joseph Horton returned to Antioch Tuesday after a visit of ten days with Mr. and Mrs. Lowell Smock of Silver Creek, New York. Sights visited on their trip included Niagara Falls.

Mr. and Mrs. Myrus Nelson entertained his uncle, Howard Nelson, and family last week for three days. They are en route home from a trip to Yellowstone Park.

Sister Miriam of the Heart of Mary Convent at Mobile, Ala., a member of the Dominican Order, left Antioch yesterday after spending a week with her sister, Mrs. Lee Coons of Petite Lake.

House guests at the home of Dr. J. W. Kopriva last week were Mr. and Mrs. Marice Boyer and their son and daughter from Grosse Pointe Farms, Mich. Mrs. Boyer and Mrs. Kopriva are sisters.

Mrs. L. V. Madden returned to Antioch on Saturday after attending the summer session at Denver University in Colorado. She teaches fifth grade at the Lyon School in Waukegan.

Mr. and Mrs. Fred Hawkins, Jr., of El Paso, Texas, left Monday with their two sons to go to Milwaukee after he had taken second place in the Tam O' Shanter Golf Tournament. They had spent the past three weeks with his parents and relatives here.

Bowling Leagues Hold Organization Meetings

It's that time of year again—the keggers are getting in trim for the opening of the league bowling season, with meetings booked for every evening, starting this Saturday night, and one league—the Friday Ladies' Pinspotters' League—having held their organizational meeting last night at the Antioch Recreation Lanes.

The following leagues have scheduled their organizational meetings thus:

Sunday Evening Mixed League—Sunday (Aug. 19) 8:30 p. m.
Tavern League—Mon. (Aug. 20) 8:00 p. m.
Nite Owl League—Mon. (Aug. 20) 8 p. m.

Ladies Pin Topplers—Tuesday, (Aug. 21) 8 p. m.
Wednesday Business Men's League—Wed. (Aug. 22) 8 p. m.
Thursday Business Men's League—Thurs. (Aug. 23) 8 p. m.

Bi-State League—Thurs. (Aug. 23) 9 p. m.
Ladies Gutter-Ball League—Friday (Aug. 24) 8 p. m. (Bowl Tuesday at 9 p. m.)
Antioch Men's Major League—Fri. (Aug. 24) 8 p. m.

Moose Mixed League—Sun. (Aug. 26) 7 p. m. at the Moose Lodge.
Mink Ranchers Mixed League—Mon. (Aug. 27) 8 p. m. Bowl Wed. at 9 p. m.

QUINNS EXHIBIT PIGEONS AT SPRINGFIELD FAIR

Mr. and Mrs. John Quinn of State Line rd. returned Monday from the State Fair at Springfield after exhibiting pigeons there last week-end. Their 12 birds took five firsts, three seconds, one third, one fifth and one sixth. The breeds included Oriental Frills, Jacobin and English short face tumbler. The Quinns will pick up their birds this Saturday.

Short Honeymoon

A 20-year-old Antioch housewife, a bride of only five weeks, reported to police that her husband, 24, beat her twice in the last two weeks. She said he beat her again Monday night threatened to kill her with a knife. The state's attorney's office is investigating the incident.

Bullet Hits Home

Mrs. Walter R. Selter of Selter's Subdivision, Grass Lake, reported that a stray bullet struck a window of her home Tuesday, and imbedded itself in a window sash.

Card of Thanks

I want to thank my friends for the lovely cards, the kind wishes, and remembrances during my recent illness.

County Clerk Tells Facts On Vote for Tax Levy for Tuberculosis Sanatorium

County Clerk Garfield R. Leaf has advised all county residents not to be confused by the wording on a referendum ballot Nov. 6 regarding a tax levy for operation of the Lake County Tuberculosis Sanatorium.

Although the wording of the ballot indicates that a tax increase is being sought, such is not actually the case, he said.

Voting the tax levy, currently in effect, is a routine matter that must be accomplished every ten years, Leaf said. It is voted upon regularly, in the event that from one decade to the next the TB sanatorium might no longer be needed, and the tax levy can be dropped.

Coroner Conducts Inquest Tomorrow in Auto Deaths

An inquest will be held tomorrow (Friday) in the Strang Funeral Home, 1090 S. Main st., into the deaths of a mother and son killed in an auto accident near Antioch July 13.

Mrs. Frances Latal, 30, of E. Loon Lake dr., and her son, Glen, 4, were killed in a head-on crash on Deep Lake rd. eight-tenths of a mile north of Rte. 173, when the Latal station wagon collided with the car of Janet Glowickie, 18, of Venetian Village, Lake Villa.

Four other persons were injured in the crash. Sheriff's deputies said both cars were over the center line at the time of the crash. Tomorrow's inquest will be held at 1:30 p. m., according to Coroner Robert H. Babcox.

Library News

In "Angel of the Battlefield," Ishbell Ross tells the story of Clara Barton, founder of the American Red cross and one of the truly great American women. From April, 1861, when Clara went home to tear up sheets to take care of the ragged bloody men to the Spanish-American War, Miss Barton labored gallantly to bring a bit of humanity to the battlefields of the world.

"U. S. Camera, 1954," is a book that will delight all photography fans. It is filled with fascinating examples of the picture that tells the story taken by masters of the art of photography from all over the world. "Angel of the Battlefield" and "U. S. Camera" were given to the Antioch Township Library in memory of Mrs. Louis Koppen.

The men and the tools to do the job are a large part of America's greatness. Machinists, toolmakers, diemakers and mechanics will be interested in the new edition of "Shop Theory" published by the Henry Ford Trade School at Dearborn, Mich. The question-and-answer text and many illustrations make this a basic guide to the theory and practical operation of machine tools. "Shop Theory" was presented to the library in memory of Martin Busscher.

Other new books at the library include: "The Art of Growing Miniature Trees, Plants and Landscapes" by Tatsuo Ishimoto; "The Mind Goes Forth" by the Overstreets; "Deliver Us from Evil" by Thomas A. Dooley; and Gilbert Selles' "The Public Arts."

Resort Owners

(continued from page 1)
customers as well as for our own residential protection," he added. "The area that is affected to the greatest extent in Chicago is definitely not the type of people who frequent our area."

Wants Retraction
Shunnesson concluded: "We feel that this statement should definitely be retracted. And in the future, there should be a more thorough investigation made into any subject to be released for the public by means of broadcasting or issued by the press!"

Dr. Winston stood his ground under the blast, however, and said "I am only doing my duty as health officer for the people to whom I am responsible," he said. "I said nothing about the Chain-O-Lakes area in giving the advice. I made no specific reference to any area—only the lakes in general."

Mrs. Franklin Tuck of Fox Lake, president of the Chain-O-Lakes Resort Owners Assn., said she felt Dr. Winston was being "very unfair" to herself and the other resort owners.

Business Hurt
"I don't believe he should have made the statement unless he is able to back it up with facts and figures," she said. "Resort people have been hurt enough by bad weather and bad publicity this year, and the statement will hurt them more. If there is any more publicity along this line, the resort owners are going to delve into the matter more thoroughly."

Another blast was fired at Dr. Winston by Charles (Chuck) Holmes of Holmes Resort, Indian Point. Said Holmes:

"We're in business, and such an announcement hurts us. The city of Chicago has a lot of slums, which probably accounts for the high polio rate. The Chicago polio victims probably contracted the disease in Wisconsin, or by swimming in Lake Michigan."

Fishing Here Is Good!

The striped bass are running in the Fox river, claim Mr. and Mrs. Otto Hanke, Jr., as shown above. In one hour's time the two of them caught 44 "stripers" at John's River Inn, five miles west of Antioch on Rte. 173 at Fox River Springs. They used sand fly bait to catch these 8 to 13 inch bass. "There were so many fish after our bait," remarked Mr. Hanke, "that the water looked like it was boiling. It's quite a sight to see!"

Issues '56 Equipment For Football Season

All boys, including incoming freshmen, who are planning to play football this season at Antioch Township High school must report for their equipment on Monday, Wednesday, or Friday evening of next week.

Those boys who will be varsity members this year are asked to get equipment this week on Friday or Saturday evening.

Football players are also reminded they must have physical examinations before receiving equipment and should call the Antioch clinic for appointments.

Practice opens Monday, August 27, with two practices each day until school starts. The 1956 football season will start with a non-conference game against Wilmet on Friday, September 14.

Former Antioch Farmer, Nels A. Nelson, Died During July in Calif.

Word has been received by friends here recently that Nels A. Nelson, formerly of Antioch, passed away July 13 in Glendale, Calif., at the age of 80 years. Mr. Nelson had been a farmer in this area for many years before moving to California. He is survived by his widow, Magdalena; a daughter, Mrs. Gladys Camp, a son, Vergil, two grandchildren and two great-grandchildren—all of Los Angeles, Calif.

Card of Thanks
I wish to thank my friends for their kind remembrances extended to me during my illness.

Elect William Lang L. L. 1957 President

William Lang has been elected president of the Little League for the 1957 season recently, filling the office vacated by Frank Kennedy, the retiring president. Other officers will be Lorraine Blackman, treasurer, and Anita Hammelberg, secretary.

Jack Crandall was named chairman of the Minox League, and George Horn of the Little League. Sigurd Nielsen will head the Pony League.

The Little League then voted a special award of appreciation to Sigurd Nielsen, Chas. Larson, John Blackman and Otto Christensen for their work on the grounds of the Little League field and the construction of the building adjacent to the diamond.

The officers of the league also expressed their appreciation to the mothers club for their fine work in fund-raising activities and operation of the refreshment stand.

Lake Villa Citizens Meet At Frolik's Tuesday Night To Discuss Town Tax Plan

Forty members of a Citizens Committee of Lake Villa Township met in Frolik's Club Villa on Rte. 21 Tuesday night, in a move to block the move to abolish the township tax collectors.

George Frolik, chairman of the committee, charged that removal of the township tax collector would increase taxes both on the county and township level.

"Gambling with the people's money by requesting post dated checks in payment of taxes is beyond any reasonable government practice and should in itself be condemned as unethical and robbing the townships of their lawful dues," he said.

Frolik asserted that the township tax levy would have to be increased to replace the loss of revenue, and the personnel in the county treasurer's office would have to be increased to handle the additional work load.

Graduates Buy School Sign

The Central High School at Pad-dock Lake, Salem, Wis., has been presented with a new lighted school sign. It is located on the north wall of the gymnasium and lights up with the evening park lights.

Graduates of the 1953, 1955, and 1956 classes voted to purchase the sign. Steinbach Electrical Service of Bristol and the industrial arts instructors, Mr. Kissel and Mr. Antes, were employed on a time and material basis to construct it.

The class of 1954 presented the school with a drinking fountain in the All Purpose room.

The sheriff's office reported that the Case Service Station, Rte. 173, Channel Lake, was broken into last Friday night. Deputies said four windows were broken. It could not be immediately determined what was taken, because the station owner was away on vacation.

Mrs. William Frey entertained the Mission Study Class of the Methodist church at her Channel Lake home at 11:30 a. m. Tuesday for a luncheon meeting.

Millburn

Mrs. Frank Edwards, Correspondent
Phone Eliot 6-3323

Regular church services at Millburn Congregational church August 19, only one service at 9:30 a. m. with Chaplain Samuel Pearson to conduct the service. No Sunday school during the month of August, but will be resumed again the first Sunday in September.

The Study Group met last Thursday at the home of Mrs. Vera Conover of Mundelein with twelve members and one guest present. The next meeting will be at the home of Mrs. Rose Weindorf on Thursday, August 23.

Card of Thanks

I would like to take this opportunity to thank all my friends and relatives for the fine cards, flowers and gifts which I received while I was in Victory Memorial hospital.
Mrs. Earl Horton

Admit Ten Antioch People to Hospital

Within the past week, nine Antioch persons have been admitted to Waukegan hospitals.

A week ago Wednesday Sandra Lubkeman and Evelyn Pence both entered Victory Memorial Hospital, as medical and surgical patients, respectively.

James Bridges was admitted as a medical patient to St. Therese Hospital on Thursday. Over the week-end, Donald Forbes entered Victory Memorial for surgery.

Four Antioch persons were added to the wards of St. Therese Hospital on Monday. Three of them, Mrs. Anna Dorsey, Mrs. Violet Lindner, and Theodore Poulos were admitted for surgery; and Albert Vlack was admitted as a medical patient.

On Tuesday, Gloria Ann Lubkeman also entered St. Therese as a medical patient.

Mary Lou Seyfarth of Antioch was admitted to Condell Memorial Hospital in Libertyville recently.

Petition Denied

The Lake County Board of Supervisors has denied a petition by Harry and Antoinette Shostak to convert a 16-room building on the shore of Long lake to a hotel and resort. The Shostaks asked a rezoning, stating that their home was too large for a single family dwelling.

TWIN LAKES MAN WINS FEYERABEND BURRO

Mr. R. Olson of Twin Lakes, Wis., was the winner of a genuine Mexican burro at the Kenosha County Fair last week out of 1700 entries. The burro was given away by Amiel Feyerabend of Feyerabend Lincoln-Mercury, Antioch.

Little League . . .

(continued from page 1)

ond round on Friday night by beating the Tigers.

This week the league will play off the games postponed because of rain. The following week they will start a round robin tournament for the post season championship. Each team will play in the elimination tournament until they lose. The members of the winning team will each receive a trophy.

The team standings as of Sunday night, August 12, were as follows:

Team	Sponsor	Won	Lost	Pct.
Yankies, Nat'l Bank		6	0	1.000
Cubs, Ant. Servicenter		3	2	.600
Tigers, State Bank		3	4	.428
Giants, Antioch Lbr.		3	4	.428
Sox, Dupre Heating		2	5	.285
Dodgers, L. V. Drugs		1	3	.250

The remaining games left on the schedule are as follows:
Yanks vs. Cubs
Dodgers vs. Sox
Dodgers vs. Giants
Dodgers vs. Tigers
Dodgers vs. Cubs
Giants vs. Sox.

Nothing takes to the road like a Chevy!

Once in a blue moon a car like this comes along—a design so advanced in performance, so beautifully balanced that it stands out above every other car on the highway. It has a solid, sure-footed way of going that makes driving safer and more pleasant on any road. And you feel a very special sense of security in its rapid-fire responsiveness to your touch on the wheel, brakes and accelerator.

You can see that the '56 Chevy is a standout for style. But until you have driven one you're missing the best part of the news—the fact that Chevrolet is the smoothest, solidest, most wedded-to-the-road automobile you ever bossed. Try it and see.

America's largest selling car—2 million more owners than any other make!

You get more car when you buy it . . . more dollars when you sell it! Chevy has the highest resale value of the leading low-priced models!

The "Two-Ten" Sport Coupe with Body by Fisher—one of 20 Chevrolet beauties.

Only franchised Chevrolet dealers  display this famous trademark

Are You Physically Fit to Drive?

Are you physically fit to drive? The Chicago Motor Club display at the Illinois State Fair in Springfield Aug. 10-19, can help give you the answer to this question—and you won't even have to step into an automobile.

The club will have their psycho-physical testing equipment on display in the Department of Public Instruction exhibit on the second floor of the Illinois building. By testing himself on the psycho-physical equipment, a driver can learn almost all about his physical limitations behind the wheel.

The testing equipment—which consists of charts and other apparatus—is used in a series of six short tests which reveal to the motorist any physical deficiencies he may have that would hamper his driving.

The six short tests include:

1. Visual acuity test—to show how far ahead he can read a highway sign.
2. Distance judgment test—to tell whether a motorist can accurately judge the distance of an approaching automobile.
3. Field of vision test—to teach a motorist how far he can see out of the corner of his eyes while looking straight ahead.
4. Color vision test—to tell you whether you can properly identify colors.
5. Hand-eye-ear co-ordination test to reveal jerky movement in shifting your foot from one pedal to another while driving in traffic, and to tell a motorist how well he coordinates his hands and feet when he shifts gears.

6. Reaction time test—to show the amount of time it takes for you to take your foot off the accelerator and place it on the brake pedal.

This is the sixth year the Motor Club has used this psycho-physical testing equipment. It is estimated that about 200,000 people have taken the test either at fairs, conventions or in high school driver training courses.

Chas. M. Hayes, president of the Chicago Motor Club, asserts: "The psycho-physical tests will help any driver to be a safer driver. They will assist a driver in analyzing the extent of his physical handicaps while behind the wheel, and they will allow a motorist to adapt himself to the general traffic problems he will encounter on the road. Of equal importance is that these tests allow motorists to recognize similar physical handicaps in other drivers on the road."

However, the Motor Club points out, these tests are not designed to

prove how good a driver a person is. They are only designed to point out the physical fitness of a motorist, and whether he knows how to properly operate a car.

The Motor Club safety experts declare: "The overall score in the tests will give an individual an indication of the adaptations he must make to drive in traffic. But that is all."

Through the Oven Door

by your Ceresota REPORTER

Does Your Oven Brown Unevenly? Maybe it's because your kitchen range is a bit on the bias. If your kitchen floor isn't level for any reason, the oven can't do an even job of browning. Just beg or borrow a carpenter's spirit level and put your range on an even keel.

Summer's the time for family fun, for picnics and parties. And that means getting things done ahead of time. One woman tells us she does her baking in the evening after the children are in bed. Another friend doubles her recipes and keeps the dough in the refrigerator, ready to bake at a moment's notice. And then there's the woman who had an old-fashioned Dutch oven built outdoors, and does her summer baking on the patio where her family and friends are gathered.

You've been reading a lot about protein—the substance that body cells are made of—as necessary to life as the air we breathe.

So you who like Ceresota flour for its better baking qualities will be glad to know that you can like it for its higher protein content, too. That's because Ceresota is made from slow-maturing choice wheats, where nature is bountiful in storing protein. And to preserve nature's goodness, Ceresota is NATURALLY white, because only Ceresota is unbleached.

Summer quick-and-easies. When you feel the urge to do something interesting with your hands and your recipes, but only want your oven on a few minutes, try the recipe below. Easy to turn out and mighty good nibbling.

CUP CAKES

Out of the oven in 20 minutes!

Ingredients: 1/2 cup shortening, 1 cup sugar, 2 eggs, 1 1/4 cups sifted unbleached Ceresota flour, 1/4 tsp. salt, 2 tsp. baking powder, 2/3 cup milk, 1 tsp. orange extract, 2 tsp. grated orange rind.

Cream shortening, sugar together. Add eggs. Beat thoroughly. Sift together dry ingredients; add alternately with milk to creamed mixture. Add orange extract and rind. Pour into greased 2 1/2 inch muffin pans. Bake at 375° F. for 20 minutes. Top with Orange Icing. Yield, 1 1/2 dozen.

Orange Icing: 2 cups confectioner's sugar, 3 tbsp. orange juice, 1 tbsp. softened table fat, dash of salt. Sift sugar. Slowly add orange juice. Mix well. Add fat, salt. Mix thoroughly.

BUTTERSCOTCH COOKIES

Only 10 to 12 minutes oven time!

Ingredients: 1/2 cup shortening, 3/4 cup brown sugar, 2 tsp. hot water, 1 egg well beaten, 1 1/4 cups sifted unbleached Ceresota flour, 1/4 tsp. salt, 2 tsp. baking powder, 1/2 tsp. vanilla, 1/2 cup chopped nuts.

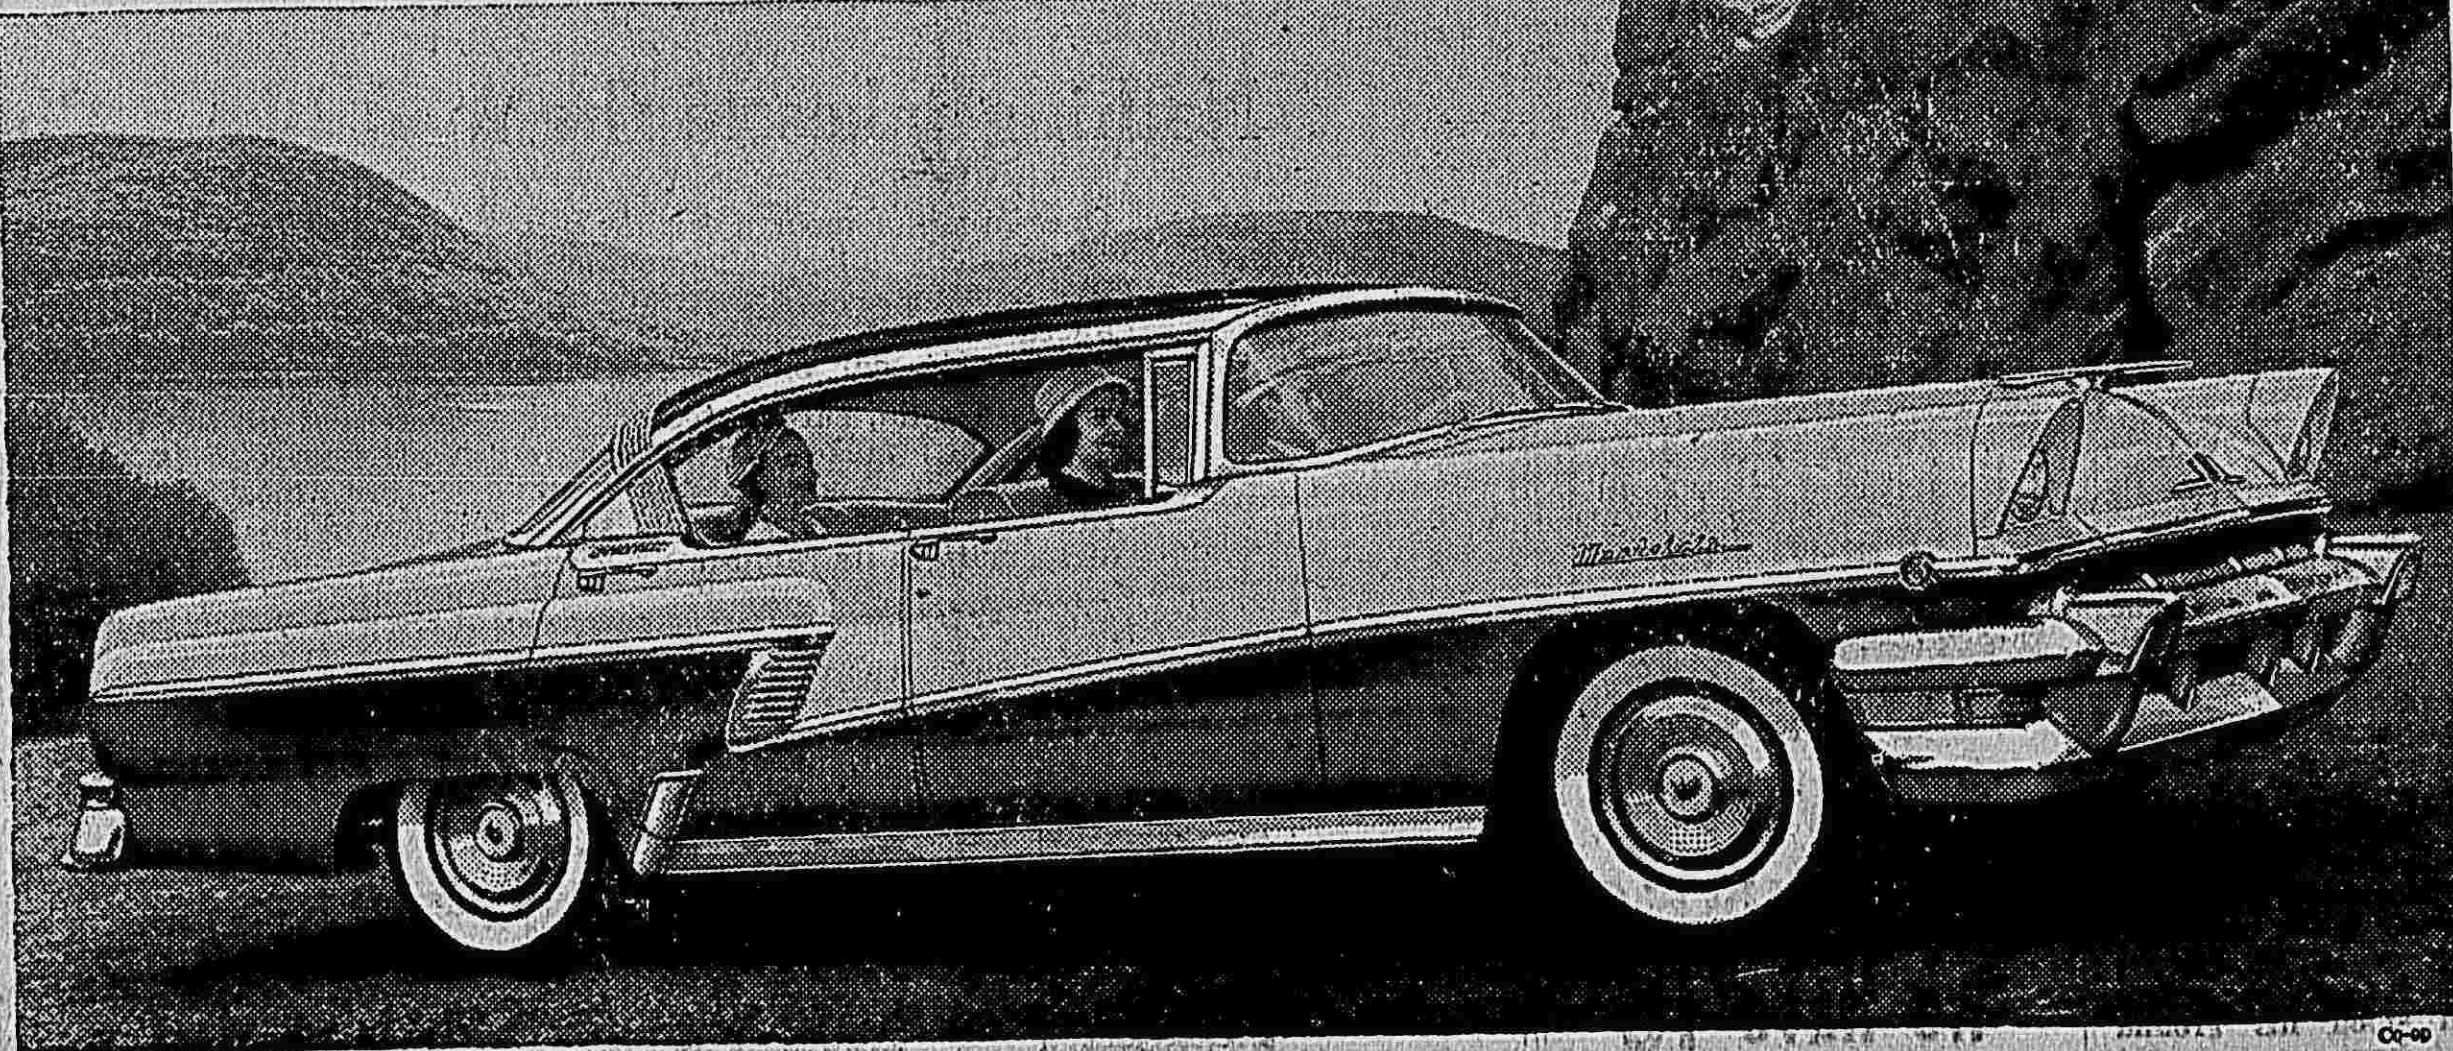

Cream shortening and sugar together. Add water and eggs. Mix well. Sift together flour and baking powder and stir into mixture. Add vanilla and nuts. Mix thoroughly and form into roll. Wrap in waxed paper. Place in refrigerator to chill. Slice thin and place on greased baking sheet. Bake at 375° F. for 10 to 12 minutes. Makes 3 1/2 dozen.

Ceresota Unbleached Naturally White FLOUR

The Big M outvalues all cars two ways, leads its price class six ways

THE BIG M LEADS THE MEDIUM-PRICE FIELD FOR:

1. **Power per pound.** THE BIG M Monterey and Montclair give you the best combinations of weight and power in their price field.*
2. **Torque per pound.** All four Mercury series—Monterey, Medalist, Custom and Montclair—are out in front of the entire medium-price field for usable wheel-turning power.
3. **Choice of V-8 models.** Only THE BIG M in its field offers so many V-8 models—18, in 4 price ranges. All with distinctive styling shared by no other car.
4. **Choice of hardtop models.** Eight BIG M hardtops! Mercury Phaetons offer you the most advanced design in 4-door hardtops—with the greatest visibility, for both front and rear seat passengers.
5. **Braking power.** THE BIG M's brakes give you the quickest stopping power in its field! Authority: independent MOTOR TREND tests. At 60 mph, THE BIG M stopped quicker than any competitor.
6. **Extra-value features.** For example, only Mercury in its field has an impact-absorbing steering wheel and a 4-barrel carburetor at no extra cost on every model.

THE BIG M LEADS THE INDUSTRY FOR:

1. **Most power per dollar.** THE BIG M Medalist and Custom offer you more power for your money than any other make of car.
 2. **Most torque per dollar.** No other make of car built today comes up to the low-cost Mercury Medalist for usable wheel-turning power. And now's the time to save the most money on a Mercury. We invite you to stop in at our showroom.
- *All power and torque comparisons, shown above and at the left, are based on an analysis of manufacturers' suggested list or factory retail prices for 4-door sedan models, using comparable models equipped with standard horsepower and automatic transmissions.

Hay Fever Sufferers Museum Exhibit Tells Facts Behind Ailment

If you are one of the thousands of Chicagoland unfortunates who are just starting their perennial period of suffering from hay fever, you can get the real low-down on what's causing all your discomfort by visiting the Museum of Science and Industry on the Lake Front at 57th street.

The Museum has assembled a special exhibit that explains most of the things you will probably want to know about "gesundheit" ailment and others that you would undoubtedly be glad to forget. Those viewing the exhibit may be able to get some consolation in discovering how much company they have in their misery. Museum displays, backed by statistics from the American Academy of Allergy, show that about two out of every ten Americans are changed into convulsive sneezers from early August until late September; and that's how long the Museum's hay fever display will be available to the public.

The exhibit, which is sponsored by Abbott Laboratories, shows the various types of grasses and weeds producing the irritation pollen that causes hay fever. Probably the most interesting feature of the display is an enlarged model of a single ragweed pollen, approximately 75,000 times actual size. Six inches in diameter and bristling with long spikes, it looks a good deal like the mines used in naval warfare. The irritation from this pollen is not caused by the spikes, however, but by the soluble content of the cell which produces the familiar symptoms—sneezing, itching, and stuffy, running noses in people who are allergic. The irritation and swelling of the lining of the bronchial tubes caused by the pollen may produce asthma with its symptoms of coughing, wheezing and difficulty in breathing.

Shown alongside this giant model of a pollen is a tube containing one ounce of ragweed pollen, approximately five hundred million separate grains, any one of which is sufficient to cause a visible skin reaction or reddened eyes. How skin tests determine the degree of sensitivity of a person allergic to such pollen is also shown in the exhibit.

Large maps of the United States showing the principal zones where the various kinds of pollen causing

hay fever are heaviest are also displayed at the Museum.

Air borne ragweed pollen incidence is heaviest in the intensively cultivated area of the Mississippi Valley and lightest in the area west of the Cascade Mountains in Oregon and Washington. The wooded areas of extreme northern Michigan, of Minnesota, New Hampshire and Maine, as well as the central Adirondacks and extreme southern tip of Florida, offer a good degree of relief. Ragweed is generally associated with areas where farming is carried on and is largely absent in desserts and forested regions. However, sagebrush pollen and in some instances certain forms of tree pollen, complicate the problem for the allergic.

According to Museum scientists, hay fever sufferers who cannot move away from high pollen areas during hay fever season, may prevent, escape, or minimize their problem by having the air they breathe completely filtered, or by getting immunizing injections of pollen extract from a qualified physician.

Lake Villa

Mrs. Fred Bartlett, Correspondent
Tel. Eljoi 6-4454

Mrs. Leonard Armstrong and Mrs. William Peterson drove to Chipewah Falls, Wis., to bring back their sister, Mrs. Anna Almqvist, who will spend a two week vacation here.

Sunday guests at the Jake Fish home were Mr. and Mrs. William Fish of Lake Villa and Mr. and Mrs. Chester Hamann and family of Waukegan.

Lightning struck the home of Mrs. Ann Nelson last Wednesday morning. The telephone was knocked off the wall, but no other damage was done.

Mrs. Constance Schneider broke her ankle while on the way home from a vacation in Canada.

The Blumenscheins were very pleasantly surprised last Thursday evening when their son Wesley and family drove in. He is with the Marines at Quantico, Va. The family had been visiting her mother, Elsa Johnston of St. Paul, Minn.

Mr. and Mrs. Clifford Bartlett and daughter spent a couple of days last week at the Dells in Wisconsin. Bruce Ladewig spent a few days with Mr. and Mrs. Elsworth Ladewig and family of Zion.

Mrs. Fred Bartlett spent last

This WEEK'S U of I MARKET BUY

Fresh pork, poultry and lamb lead Chicago area meat values. Beef and veal hold steady to higher. Downturn in grocery costs led by cake mixes, vegetable shortening, some salad oils, and canned peaches, peas and beans. Midwest production drops retail costs still more for green vegetables and selected fruits. Eggs hold last weeks low quotes.

MEATS

PORK—Loin roasts—Chops—Fresh Boston roasts
BEEF—Round steak—Rump roasts—Ground beef
LAMB—Shoulder roasts and chops—Leg roasts

POULTRY

Small turkeys—Broilers & Fryers
Stewing hens

FRUITS AND VEGETABLES

Peaches—Honey dew melons—Cantaloupes—Plums—Blueberries—Tomatoes
Onions—Cucumbers—Lettuce

Based on market survey
for August 13-15

Thursday visiting her sister, Mabel Nelson of North Chicago.

Walter Schneider, Sr. and Walter Schneider, Jr. spent last week in Canada.

Two 4-H Clubs met at the church August 7 for an Achievement program. A demonstration on quick coffee cake was given by Judy Fath and Peggy McNeill.

Donna Henson, Lucy Carrick and Pat Callahan gave a demonstration on ways to handle food.

The Martha Circle of the Lake Villa church met Wednesday, Aug. 15, at the home of Mrs. Bessie Boyer to sew.

The Crooked Lake Oaks Women's Auxiliary will hold a party Thursday, August 16 at 7 p. m. at the beach house.

The American people spend 9½ billion dollars a year for alcoholic beverages while spending less than 7 billion a year for public schools and contributing under 4 billion a year to churches.

Use wire baskets to cool eggs, advises Successful Farming magazine in the August issue. Eggs cool twice as fast in wire baskets as in a pail.

Using an electric fan to cool beef cattle boosted average daily gain about one pound a day, according to a California experiment reported in the August issue of Successful Farming magazine.

LOSE UGLY FAT IN TEN DAYS OR MONEY BACK

If you are overweight, here is the first really thrilling news to come along in years. A new & convenient way to get rid of extra pounds easier than ever, so you can be as slim and trim as you want. This new product called DIATRON curbs both hunger & appetite. No drugs, no diet, no exercise. Absolutely harmless. When you take DIATRON, you still enjoy your meals, still eat the foods you like but you simply don't have the urge for extra portions and automatically your weight must come down, because, as your own doctor will tell you, when you eat less, you weigh less. Excess weight endangers your heart, kidneys. So no matter what you have tried before, get DIATRON and prove to yourself what it can do. DIATRON is sold on this GUARANTEE: You must lose weight with the first package you use or the package costs you nothing. Just return the bottle to your druggist and get your money back. DIATRON costs \$3.00 and is sold with this strict money back guarantee by: REEVES DRUG STORE, Antioch, Ill. Mail Orders Filled

It doesn't cost a cent to
Take a Ford Test Drive ...
and you may save hundreds!

Would you trade 20 minutes of your time for a saving of hundreds?

Why put off the fun of a Ford Test Drive for a single day? As you know, it puts you under absolutely no obligation. And it may save you literally hundreds of dollars—we'll get to that a little further on.

By a Test Drive we mean more than a once-around-the-block "spin."

We want you to test the power that rocketed Ford to a 500-mile stock car record at Indianapolis ... the GO that won the grand prize at NASCAR's Daytona Championships. We want you to feel how this Ford seat pays off in your kind of driving; in traffic, passing on the highway, getting going at traffic lights. We'll put either a Ford Six or a mighty V-8 with up to 225 h.p. at your disposal.

We want you to drive and listen—drive and feel.

That fine-car quiet results from sound

insulation under the hood, under the roof, in door, and body panels—the most insulation in any car at anywhere near Ford's low price.

Some other things that contribute to that smooth, silent, luxury-car ride are things which Ford's leading competitor certainly can't boast: Ball-joint suspension with wide base control arms for better steering, more stabilized wheel alignment ... shock absorbers that are mounted to the frame rather than the body.

"Sure," you'll say as you drive along the road. "Feels pretty good—but after all, this car is new."

Well sir, when you come in from your drive we'll show you why Ford will stay like new for a long, long time.

We'll show you how Ford has five cross-members (including a "K" member) in its frame. Ford's leading competitor only has

two. We'll show you the deep-block Y-like engine design which enables Ford engines to take it.

Now—what you've been waiting for. How can you save hundreds of dollars by taking a Ford Test Drive?

Simply by proving to yourself that there really is a fine car in the low-price field.

You see, the reason a Ford does not cost hundreds of dollars more than it does, is Ford's huge production and the huge volume which we Ford Dealers sell.

But enough of this talk. Come in. And you do the driving and the talking. Bring the family, too.

FORD goes first

NOW! A FORD with AIR CONDITIONING costs less than many medium-priced cars without it. TRY ONE TODAY!

LEGAL NOTICE

COUNTY ZONING NOTICE
STATE OF ILLINOIS) ss.
COUNTY OF LAKE)

TO WHOM IT MAY CONCERN:
PUBLIC NOTICE is hereby given to all persons in the Town of Antioch, Lake County, Illinois, that a public hearing will be held on August 31, 1956, at 1:30 P. M., in the Village Hall, Antioch, Illinois, relative to a proposal to vary the terms of the Lake County Zoning Ordinance, or to reclassify by amendment thereto, from the R-4 Residential District, to the B-2 Business District, the following described real estate, to-wit:

The North half of Lot 2 and South 50 feet of Lot 1 in Block 3 in the Plat of Resubdivision of Blocks 3 and 4 of Shady Nook Subdivision, of part of the East half of the North East quarter of Section 14, Twp. 46 N., R. 9, East of the 3rd P. M., according to the plat thereof, recorded October 22, 1909, as Document 125222, in Book "H" of Plats, page 47, in Lake County, Illinois.

As a result of the petition of NORMAN CHRISTIANSEN and ISABELLE CHRISTIANSEN, which petition is on file and available for examination in the office of the below named Board, Court House, Waukegan, Illinois.

All persons interested are invited to attend said hearing and be heard.

LAKE COUNTY ZONING BOARD OF APPEALS
EARL H. KANE, Chairman
Dated at Waukegan, Illinois, this 16th day of August, 1956.

THE MAN AND HIS BURRO

Nothing More DEPENDABLE or SURE-FOOTED than

Deep Lake

Mrs. Millie Luehr, Correspondent
Eliot 6-4946

Mr. and Mrs. John Wygler of Bradenton, Fla., had a get-together with Mr. and Mrs. Barney Weismantel, George Pinnicks and Helen Voss at Henning Johnson's last Monday at dinner, also present were Mr. and Mrs. Phil Planalp of Chicago.

Mr. and Mrs. Fred Rechsteiner of Chicago spent the day Tuesday with Mrs. Leona Maley.

Mr. and Mrs. Ray Wilkas of Chicago and son and Mrs. Pauline Reddel spent Sunday with Leona Maley. Carrie Feldman, Jessie Schultz and Rosette Valcy of Waukegan had luncheon at Mrs. Pat Stark's of North Chicago.

Mrs. Ione Cleary of New Jersey is a guest of Mrs. B. Sanders for a few days.

Barbara Olson from Addison spent a week with her grandparents, Mr. and Mrs. Elmer Olson. This week her brother Donald is a guest.

Mr. and Mrs. Bodde and children of Chicago are spending a week with Mr. and Mrs. Joe Galiske.

Joe Heiss, Millie Luehr and Lu Massett of Chicago were guests of Mrs. Florence Larson of Crooked Lake. Canasta was played.

Mrs. Jessie Schultz and her daughter Carol of Van Nuys, Calif., will attend an alumni reunion of PVLC in Ottawa. They will dine at Starved Rock.

Mr. and Mrs. Harold Severson and Susan Lynn and William Carl had dinner with Mr. and Mrs. Frank Luehr Tuesday.

In January of that year, Antioch took part in the Victory Clothing Collection conducted by the UNRRA and outlined here by J. P. Miller, Lions chairman for the drive and George B. Bartlett, township chairman. The Village Hall and school buildings were used as storage centers, and the village truck made pickups.

Another type of drive was held later in the year, in April. It was the annual spring clean-up day. Any house or business could have its old junk and rubbish picked up and taken to the city dump if it placed them on the curbing in the morning of that particular day.

The class of 1946 was one of the smallest high school graduating classes in many years at Antioch Township High school. Although it only numbered 27 students, over one third registered for further education in colleges and universities. The number of fall classes at both the grade school and high school was considerably larger; the total enrollment was listed as 540. Also of school news ten years ago—that was the first time that free transportation to school for students was officially considered.

A big homecoming celebration week-end was held at the high school in 1946, and included a bonfire and snakedance Friday night, a parade with prizes for the best decorated cars Saturday afternoon, and a football game followed by a dance that night. Antioch defeated Palatine in the game 7 to 0.

Of big interest to grade school children that fall was the town Halloween party. Following a window art contest (in soap), for which prizes were awarded, the children were treated to ice cream and candy

at Reeves Drug Store.

In 1946, 7000 bass were added to Antioch lake to destroy an overabundance of bluegills. Strange as it may seem, the bluegills were becoming degenerate because of the large quantity of them in the lake.

About 100 hunters and sportsmen are expected to participate in the Antioch Hunting and Fishing Club's fox hunt on December 1, according to Dr. D. N. Deering, president of the club. Plans for the hunt, which is the first move in a drive to rid the territory of the destructive pests, were made at a meeting of the club Wednesday. Later reports told that eight foxes had been sighted, but none bagged.

Society Page News from 1946
"Allan Lyman Thain, son of Mr. and Mrs. J. L. Thain, of Millburn, has been initiated into the Phi Eta

Sigma, the high scholastic honor society for freshmen at the University of Illinois."

"Mrs. Vera Rentner, daughter of Mrs. Effie Nelson, and Joseph Horton were married locally June 8."

"Mr. and Mrs. Robert Hywood of Grass Lake became parents of twin recently, a girl and boy, born at Condell Hospital in Libertyville."

"Mrs. W. C. Petty will review the book 'January Thaw' by Bellamy Partridge at a meeting of the Antioch Woman's Club on Monday afternoon at the home of Mrs. Homer B. Gaston, 654 N. Main st. Mrs. E. J. Hays, Mrs. George Bacon and Mrs. Frank Pechousek are assistant hostesses."

"Virginia R. McMahon and H. Roger Williams were wed in a double ring service at the Methodist parsonage March 28, with the Rev.

Warren C. Henslee in charge."

Mrs. Dan Lightsey, son Danny, and daughters Karen and Julie of Chicago are spending this week at the home of Mr. and Mrs. William Rosing of S. Main st. Mrs. Lightsey was the former Hilma Rosing

of Antioch."

"Mrs. Ida Osmond was elected president of the Ladies Guild of St. Ignatius Church for the tenth consecutive time at an election held at her home on Orchard st., Wednesday afternoon."

YESTERDAYS

Burglaries and fires seemed to make the news quite often 10 years ago. The grade school, two gas stations and the post office were among the places robbed within the first two months alone in 1946.

Despite the Fire Prevention Week, which was held in October, many fires also occurred during that year, and that particular week turned out to be the busiest of the year for the Antioch fire department. About the most serious blaze that year was the one that severely damaged the stock and building of the National Tea company.

Purchase by the village of part of the Lux estate property at 407 Lake street was an item of much discussion in 1946. The purpose was to make possible the extension of Victoria street from Lake street to Orchard, a project which had been discussed and planned for over twenty years. This would be the area now called Broadway.

NOW! December's fuel oil bill can be as low as August

with our convenient

BUDGET PLAN!

Pay year's total fuel costs in
10 small monthly payments!

For Example

If your season's heating cost is \$160 your payments are:

August	\$16.00
Sept.	\$16.00
Oct.	\$16.00
Nov.	\$16.00
Dec.	\$16.00
Jan.	\$16.00
Feb.	\$16.00
March	\$16.00
April	\$16.00
May	\$16.00

Easy payments

We estimate your yearly fuel needs. The cost is divided into equal low monthly payments. There are no finance charges.

FOA-5X protection, too

Only Shell Heating Oil contains FOA-5X, the wonder additive that keeps your burner filter screen clean all winter.

Plus Free Sonitor

We treat your storage tank with Shell Sonitor to protect it against inside rust and corrosion. No charge.

Automatic Delivery

We automatically deliver your Shell Heating Oil. As your supply diminishes our records tell us when you need oil.

Ask for details—no obligation

HER KITCHEN—10 degrees cooler—

HER RANGE—a modern electric

Hot weather's here again. And unless you have a modern electric range, your kitchen's likely to get even hotter when your oven's on a couple of hours.

Uncomfortable? Yes, and unnecessary. Today's electric ranges keep your kitchen about 10 degrees cooler because they keep the heat in the oven where it belongs.

Modern electric ranges also keep your kitchen cleaner. (Actually twice as clean as other ways of cooking.) And today, *nothing* cooks faster.

The latest electric ranges offer many "new idea" features. For example: built-in rotisseries, smokeless broilers, counter-top cooking units and automatic controls. See them at your dealer's. Discover how easy it is to own a cool-cooking electric range.

Big saving—we pay part of your range installation cost!

Need modern wiring? We share the cost with qualified home owners in 1, 2 and 3-family dwellings.

And you get more than a money saving!

Modern wiring helps improve your TV picture, brightens lights, makes everything electrical work better. You can also install a 240-volt electric dryer, water heater or air conditioner quickly and cheaply. The Share-the-Cost Plan is available on terms of up to 2 years.

Over \$100 Raised On Salvation Army Tag Day in Antioch

Volunteer taggers in Antioch raised \$115.28 on "Doughnut Day," the annual tag day held for the benefit of The Salvation Army on June 15, reports Mrs. Margaret E. Gaston, 928 Main st., chairman for Antioch.

Mrs. Gaston joins the Salvation Army in expressing deep appreciation for the splendid assistance of the volunteer taggers and contributors.

Total Doughnut Day contributions amounted to \$141,235.27, according to Mrs. Henry D. Paschen, general chairman, and Mrs. Howard A. Olson of Elmwood Park, suburban chairman. The drive was held throughout Chicago and 137 suburban communities in Cook, DuPage, Kane, Lake, McHenry and Will counties in Illinois and Lake county in Indiana.

The funds contributed by the public on Doughnut Day help support the Salvation Army's broad program of assistance to the unfortunate. Operating through 39 corps, departments and institutions in this area, the Salvation Army last year helped more than 100,000 needy persons.

Included in the Army's assistance program are such activities as care of unwed mothers and their babies, free summer vacations for "Golden Agers," mothers and children, relief and rehabilitation of men on Skid Row, emergency food and lodging, a homemaker service, a hospital for patients with long term illnesses, family casework service, care of children in a day nursery, emergency canteen service at major fires and disasters, and medical and dental clinics. All services are extended without reference to color or religion.

As in all communities outside of Cook county, 20 per cent of the funds raised in the Antioch Doughnut Day drive will remain there to meet emergencies or disasters in the community, and to finance unduplicated programs of health care or other service. A committee of local residents, representing the Salvation Army decides how the funds will be used.

Registration to Begin Next Week
At Central High School, Salem

Students who wish to attend Central High School, Salem, Wis., during the 1956-57 school year and have not already registered may do so next week, August 20-24 between 10 a. m. and 2 p. m. daily.

Two Specific Ways To Gain Tender Meat

Consumers have expressed an overwhelming preference for tenderness as the characteristic most desired in beef. University of Missouri tests show there are two specific ways to make beef tender.

First is through animal selection, that is, selecting tender beef, says an article in the August issue of Successful Farming magazine. Heritability of factors responsible for tenderness has not been studied in the Missouri tests, but other characteristics have been shown to be transmitted from one generation to the next when proper selection has been used.

The second method of gaining tenderness, according to the article, is through adequate processing of the carcass or cut after slaughter. Such a method would be to hold the carcass at 32 to 34 degrees for 12 to 15 days.
